### 6. DOT(WA) AWARD OF EXCELLENCE IN PAEDIATRIC OCCUPATIONAL THERAPY

Congratulations to Amanda Stokes who was nominated for her contribution to paed OT over the years, particularly for her skills in Mentorship and Supervision.

*"We would like to acknowledge Amanda Stokes for her tireless contribution to our OT profession in Perth for the last 40 years. She has worked in numerous supervisory roles throughout these years, including a role as Curtin Student Coordinator and at several primary schools. Over the last 15 years, Amanda has worked as a Senior clinician at the Child Development Service (West Perth) where she has provided exceptional, ongoing supervision to staff and students. Amanda has been frequently*

*commended by her clients for her gentle approach and amazing ability to work with children and their families to achieve their goals.*

*Amanda has worked at numerous organisations over the years, including Rocky Bay and Authority for Intellectual Handicap (pre it being called DSC). With one of her biggest roles and achievements was leading the establishment the Metro-Wide School Age Therapy Services (now known as Therapy Focus). And we can't forget the contribution she made to DOT(WA), where she served as our meetings secretary for several years... and continued to help with set up and getting tea and coffee organised for use, well after she had left the committee!*

*As Amanda is in her last few weeks at State CDS before she hangs up her pencil grips, we would like to thank her for her hard work and comradery to so many over the years. We wish her all the best in her retirement."*
