6. DOT (WA) AWARD FOR EXCELLENCE IN PAEDIATRIC OCCUPATIONAL THERAPY

The DOT (WA) Award for Excellence in Paediatric Occupational Therapy for 2022 is awarded to Sam Mather and Felicity Emery. Sam and Felicity have been a part of the DOT (WA) Exec Committee since 2014 in the role of international/national PD, and then moved email marketing role for 1 year where Sam finalised our Mailchimp email newsletter template. They have organised 8 national/international PD events for paediatric OTs here in WA.

"The recipients of the 2022 DOT(WA) Award for Excellence in Paediatric Occupational Therapy were nominated as joint recipients, and as an Exec committee, these two are always a pair! We would like to present the award to Samantha Mather and Felicity Emery.

Sam and Felicity have been on the DOT(WA) Exec committee since 2014 when they took on the 'Big PD' role. I don't think they know what they were getting themselves into at the time, but they were young and energetic (no kids back then) and got into it with their first PD held in early 2015. Over the last eight-ish years, they have hosted about eight PDs from local, interstate and international presenters. Nothing is too hard for these two- I mean, how many people out there would catch a bird inside the Optus Stadium ballroom to ensure our PD was not mucked up! They ensure we have delicious food at every PD, resources are prepared and the room is set up before anyone arrives on day one.

They had a short tint away from the Big PD role in 2019-2021 when they took on the marketing and email roles on the committee. In that time, Sam finalised out MailChimp newsletter, resulting in a much easier to read and user friendly (and prettier) newsletter format.

Through their roles on the DOT(WA) committee they have been able to influence paed OT through WA, ensuring we have access to the highest quality PD, chasing down the best to make sure we don't miss out here in WA. So, thank you Felicity and Sam for everything you have done over the last eight years, we hope to keep you around for a bit longer."
