3. MATTERS ARISING FROM PREVIOUS MINUTES

Supervision working group:

- DOT(WA) has formed a working party of 5 members to develop a resource to support paediatric OTs looking for supervision, via linking them to online and community resources, and suggestions on what to look for in a supervisor and supervision.

PD Recordings:

-These will soon be available online for members on our website, to access for a three-month period.

4. OT ASSOCIATIONS

WAOTA

-WAOTA Inaugural Awards Ball will be held on 6th May 2023 at Esplanade Hotel Fremantle. Tickets are on sale until 23rd April.

OTA

-National OT conference to be held in Cairns 21–23 June 2023. The early bird ticket allocation has now closed, however there is not a big difference in price to the full price.

-The WA Annual Divisional Meeting was held on the 28th March. Unfortunately our representative Jacqui was not able to attend at the last minute, however he will be in touch with relevant parties for any updates.

5. NEW BUSINESS

OT in Australian Education Group

-The OT in Australian Education Group is looking for WA representatives for the national committee, so they can ensure a WA perspective in their work. The group was formed in September 2020 with 'the purpose of sharing information, ideas and opportunities pertaining to increasing the visibility, influence and impact of occupational therapists working within the education sector (excluding tertiary education).' They are independent of OTA, however, they work closely with them. The group meets approx. each 6 weeks, generally on a Tuesday at 10 AWST - Perth (12 noon AEST) by Zoom for about 60 - 90 minutes. If you work within schools, are a researcher, or have a general interest in this area and are keen to be involved or find out more information, please let DOT(WA) know via email at dotwa@outlook.com. It would be fantastic to have WA representation on this group, as some other states employ OTs in schools and there is much we may be able to learn.

PD Opportunities:

– No updates.
